GREETINGS FROM THE BEACH!

It is with great pleasure that I welcome you to the 22nd Annual Ocean City Classics! Each year we strive to bring you two amazing, well organized tournaments. I am very confident that this year's Classics will be the best one yet!

I do want to thank the Classics team, as this tournament is nothing without the commitment and dedication of so many individuals. I want to thank the Classics directors, both Jack Shellenberger and Shelby Laws. Thank you to our advance team, staff, judges and scorekeepers. I want to send a big thanks of support to our many sponsors. Thank you to all the volunteers, our parents and most importantly our competitors! I am extremely grateful and blessed to host this event each year, and this tournament would be nothing without you!

We have for the first time ever two amazing Superfights! The always exciting Jiu-Jitsu Superfight, and this year we are adding a Women's Sparring Superfight! Both tournaments will also for the first time, be awarding custom made Olympic size medals. We are very excited for the many upgrades you will see at this year's tournament.

I am also happy to bring back our school reimbursement program. It is a pleasure to give back to school owners that support the Classics.

I want to again thank everyone for your continued support of the Classics! I look forward to seeing everyone for another amazing day of Martial Arts.

See you at the Classics!
